Sir

I am directed to state that according to the scale of pay of Municipal Clerks prescribed in the G O no no L811-821/ML 16-35 dated 25th July 1936, the scale pay of Municipal Clerks in IV Class Municipalities is Rs 20 which is the lowest grade. ~~Instances have~~ come to the ~~know~~ notice of Govt that clerks appointed in that grade are preferred for promotion to the next higher grade of Rs 25-1 30-1 40. Whenever vacancies occur in the Revenue

and other Departments with the result that the work in these special offices suffers, consistently by frequent transfers of these persons. Govt. consider it necessary with a view to avoid such dislocation of work ~~frequent transfers~~, to revise the grade to a uniform scale ~~for ensuring a steady flow of work and attention thereto without break by the appointment~~ so as to enable the appointment and retention of experienced ~~senior~~ clerks in these offices ~~even though there should be transfers of clerks in the ordinary way~~. I am therefore to request you to bring ~~commend~~ this question to the notice of the ~~bodies~~ [illegible] Municipalities concerned ~~[illegible]~~ in your [illegible] and submit proposals with their resolutions ~~& the means to meet the increased cost involved~~, for a revision affecting the scale of pay to

To

With reference to your official memorandum No L 12153-41/Ml 121-42-88 dated the 15th June 1943 making certain observations about the work of Municipalities and issuing instructions for the guidance of Deputy Commissioners, I have the honour to state that apart from conducting regular inspections and pointing out defects and obtaining periodical reports, there is a practical difficulty in the working of these Municipalities. Unless this fundamental trouble is obviated, I am of opinion that the tone of efficiency in the working of these Municipalities cannot possibly be improved

The Government have in their order No. L 811-821/Ml 16-35-82 dated 25th July 1936 fixed the scale of establishment of minor Municipalities as only one Clerk on Rs 20/- in grade 20-1-25 p m to each Municipal office This is the last grade of pay for Clerks in the Deputy Commissioner's Unit Whenever a vacancy in Class II appointment occurs in the Deputy Commissioner's Unit, it will be filled up by giving promotions to one of the senior men of these Municipal offices and consequently the last vacancy released i e post on Rs 20-1-25 in the Municipal office will be filled up by a recruit from the list according to classification 'General' or 'Special' So, almost every time there is a vacancy in Class II appointments the officials working in Municipalities will have to be disturbed as they cannot be deprived of promotions legitimately due to

them and consequently, there will be change of hands almost once in 2 or 3 months as and when vacancies occur and the officials appointed to these Municipal offices are mostly recruits, who are quite new to the work. There are instances in which these recruits do not stick on to the posts. They absent themselves suddenly without realising any sort of responsibility, some times by presenting leave reports or resignation letters. These officials do not stick on in the moffusil places as the pay offered is very low and the grade also is not inviting. So much so, the work of the Municipalities is very much handicapped and the affairs are not what they ought to be.

The work of the Municipal offices requires a competent official as he has to deal with various kinds of correspondence, with accounts, prepare budget, attend Municipal meetings and guide the non-official Vice-Presidents and Presidents also, some times. So the services of a trained and experienced official who is versed in accounts and good both in Kannada and English correspondence is very necessary. As at present, since the scale of pay is different and below the last grade prevailing in the Revenue Department, no official of the Revenue Department can be drafted to these minor municipalities. To obviate this difficulty, in the interests of the working of these Municipalities and to permit of free interchange and transfer of officials from Revenue Department to Municipal offices and vice-versa and facilitate posting of competent men for work in these Municipalities, it is very desirable that the scale of pay of officials of all minor Municipalities in the District, should be fixed at a uniform scale of Rs. 25-1-30-1-40 as is prevailing in the Revenue Department. This may affect the financial position of the Municipalities a little as it may increase the recurring cost to some extent, but when compared with efficiency this is very neces-

necessary. All the Municipal Councils are agreeable for this change. It is very desirable that the above proposal should be considered and sanctioned by Government in the interest of ~~efficiency~~ efficient working of the Municipalities The non-official Vice-Presidents and Presidents are finding it very difficult to manage the affairs without a competent clerk. This has been observed by me during the inspection of almost all Municipalities and most of the offices are vacant for want of suitable men. In the above circumstances, I solicit early orders of Government to revise the scale of pay of all minor Municipalities and fix it at Rs 25-1-30-1-40.

I have the honour to be,

No.L.Dis.A3.C.1028-80/43-44. OFFICE OF THE DEPUTY COMMISSIONER,
Encl One File. KADUR DISTRICT,
CHIKMAGALUR, DATED 26TH OCTOBER 1943.

pl 3-43-24

From

The Deputy Commissioner,

[redacted] District, CHIKMAGALUR.

To

The Secretary to the Government of His Highness the Maharaja of Mysore, Law Department, BANGALORE.

SUBJECT:- Revision of scales of pay of clerks in Municipalities.

With reference to your letter No L 2758-66/M1.3-43-12 dated 30th August 1943, calling for proposals on the above subject, I have the honour to state that there are nine posts of the grade Rs 20-1-25 in the several Town and Minor Municipalities in this District out of which the one in the Birur Town Municipality is temporary. Out of the nine Municipal Councils seven are agreeable for the proposed revision of the scale of pay to Rs 25-1-30-1-40. The Town Municipal Council, Tarikere, have resolved that the existing scale is enough and that there is no necessity to revise the scale. The Minor Municipal Council, Sringeri, are of opinion that the proposed scale may be given effect to in the Municipality, the annual income of which is above Rs 10,000/- and that as the annual income of Sringeri Municipality is only Rs 6,000/- they are not agreeable for the proposed revision of the scale of pay.

2 As per recruitment rules, the candidates whose names are enlisted in the approved II class lists issued by the Public Service Commissioner are posted to the vacancies of clerks in the grade of Rs 20-1-25. As this scale is not encouraging, most of the candidates do not turn up. Thus, there will be no clerks in many of the Minor Municipalities for months together. Further, the clerks appointed in the grade of Rs 20-1-25 are preferred for promotion to next higher grade of Rs.20-1-30-1-40 whenever vacancies occur in the Revenue Department. On account of such promotions, there will be frequent changes of the clerks in grade Rs.20-1-25 and the work in the Municipal Offices will be very much

3. In the interests of work in the Municipal Offices, I am of opinion that it is necessary to adopt the uniform scale of Rs.25-1-30-1-40 in all the Municipalities where the scale of Rs.20-1-25 now exists, so that experienced officials in the Revenue Department may be transferred to the Municipal Offices and retained there.

4. The post of the clerk on Rs.20-1-25 in the Municipal Office, Birur is temporary Its continuance during the years 1942-43 and 1943-44 was sanctioned in G O.No.L.2526-6/Ml.7-42-8 dated 1st September 1942 Birur is a Town Municipality and one clerk can-not attend to the entire work of the office which has increased sufficiently, due to the opening of a Municipal High School at the place The services of one clerk are required exclusively for Mohatarfa work, as the arrears are very heavy. This post may be therefore placed on a permanent basis/the scale of the pay also being revised to Rs.25-1-30-1-40.

5. The scales proposed in your letter under advertance may be adopted for all the Town and Minor Municipalities with effect from the next official year A proposition statement together with the copies of resolutions of the several municipal councils enclosed for favour of reference

I have the honour to be,
Sir,
Your most obedient Servant,

SUBJECT - Shimoga District - Proposals of the Minor Municipal Councils of (1) Thirthahally, (2) Sorab (3) Shiralakoppa (4) Hosanagar (5) Nyamati (6) Channagiri (7) Honnali Municipalities for revising the scale of pay of the Municipal clerks to Rs 25-1-30-40

- - - - - -

With reference to your letter No L 2758-66/Ml 3-43-12, dated 30th August 1943, on the matter of forwarding proposals for effecting Revision of the Scale of pay of Municipal clerks, in the several municipalities in this District, I have the honour to state that in accordance with the suggestions contained in your letter under reference, the Views of the respective Municipal Councils were called for, Except the President, Kumsi Minor Municipality, the Presidents of the remaining municipalities have submitted their reports in this respect

The President, Shimoga Town Municipality reports that there is no scale of ~~the~~ pay of the clerks on Rs 20-1-25/- in the municipality

In respect of the Shikaripur Town Municipality the scale of pay of the Municipal Clerk has ~~benifite~~ been fixed at Rs 25-1-30-1-40/- as per G O No L 8916-17/Ml 27-40-76, dated 20th June 1941

At present there are no wholetime municipal clerks in the municipalities of Sorab, Hosanagar and Kumsi In accordance with G O No L 811-821/Ml 16-35-82 dated 25th July 19 36, work in the above three municipalities is being attended to by the clerks of the Revenue Department and an allowance at Rs 5/- is being paid therefor to Revenue clerks The Municipal Councils concerned have ~~x~~ passed resolutions to the effect that a whole time clerk on grade pay of Rs 25-1-30-1-40/- may be sanctioned to them

As the existing scales of pay of municipal clerks in the municipalities of Thirthahally, Shiralakoppa, Nyamati, Channagiri and Honnali are not uniform, the Municipal Councils concerned have agreed to adopt a uniform scale of Rs 25-1-30-1-40/- and have passed resolutions to this effect

The proposed revision in the uniform scale of pay will ensure efficiency and avoid dislocation of work in addition to affording facilities for transfers to Revenue Department

In the circumstances, I recommend that a uniform grade of Rs 25-1-30-1-40 may be sanctioned to all the town and minor municipalities so as to enable the appointment and retention of experienced clerks in these offices as suggested in your reference under advertance

Sir,

Subject - Revising the existing scale of pay of the Municipal Clerks from 20-1-25 to a Uniform scale of Rs 25-1-30 -1-40/-

--

With reference to your letter No L. 2758-66/Ml. 3-43-12 dated 30-8-1943, on the above subjects, I have the honour to state that all the Town and Minor Municipal Councils were counsulted in the matter The Municipal Councils of Nanjangud, Hunsur, Gundlupet, Krishnarajnagar Ramasamudra, Bannur, Mugur Talkad, Yelandur, ~~xxxxxx~~ T Narasipur and Agara Mamballi, have agreed to the proposal of revising the scale from Rs 20-1-25 to 25-1-40 and copies of resolutions of the respective Municipal Councils are enclosed herewith for reference The Municipal Councils of Saragur and Periyapatna have resolved that they do not agree to the proposal as there is not much work to the Clerks in their Municipalities The Municipal Council of Heggadadevankote, have resolved that there is no work in Municipality to a clerk and they have proposed that the work might be entrusted to a clerk of the Taluk Office on payment of a monthly allowance of Rs 10/- p m ~~instead~~ instead of entertaining a wholetime clerk on Rs 20/- p m

I quite disagree with the views of these Municipal Council Unless the proposed revised scale is sanctioned it will not be possible to continue the Municipal Clerks in one office for longer periods than 6 months or one year with the result that the work of the Municipal offices is sure to suffer an account of the frequent change of hands I am therefore of opinion that the proposed scale may be sanctioned in respect of these Municipalities also In respect of Chamarajnagar Mirle and Saligrama Municipal Councils no reports have been received from the Presidents so far inspite of repeated reminders issued to them They have been once again reminded to expedite their reports w the resolutions of the Municipal Councils, and on receipt of the same a further communication will be made on the subject

I have the honour to be,
Sir,
Your most obedient servant,

For Deputy Commissioner,
Mysore District.

Subject - Revision of the scales of pay of clerks on 20-1-25

In continuation of this office letter of even number dated 16-10-43, on the above subject, I have the honour to state that the grade of the pay of the clerks in the marginally* noted Minor Municipalities is 20-1-25 and this has occasioned no small dislocation of work in these offices in as much as, clerks entertained in this grade have to be promoted to the higher grade invariably in the next vacancy and the recruits before they could pick up Municipal work and be of some use in the office they would have been transferred to some other offices. With a view to obviate this inconvenience proposals for the conversion of all the appointments in the lower grade to appointments of grade 25-1-40 were called for in your letter No L 2758-66 M 1 3-43-12, dated 30th August 1943 and detailed proposals in consultation with the Municipalities concerned have already been submitted with my letter referred to above

1	Nagamangala	Minor	Municipality
2	Belakavadi	"	"
3	Melkote	"	"

As considerable inconvenience is felt on account of the appointments in the grade not being filled up I request that pending sanction to the general scheme for the conversion of all the clerical appointments in grade 20-1-25 into those of 25-1-40

P T O

those of 25-1-40, the appointments of clerks in the Minor Municipalities referred to above may be revised to posts 25-1-40

I request the favour of very early orders in the - matter

I have the honour to be,
Sir,
Your most obedient servant,

Revision of the scale of Municipal Clerks in the IV class Municipalities from 20-1-25 to 25-1-40

--- O ---

In inviting kind reference to this office letter No L -Dis A6-C 742/43-44 dated the 24th April 1944 forwarding proposals of municipal councils agreeing to the revision of the scale, I have the honour to state that considerable difficulty is being experienced in posting at least fairly experienced clerks to certain minor municipalities, as the recruits that are posted would be quite raw and would be unable to attend to the work of the office independently, have no knowledge whatsoever of the working of the office This is particularly noticeable in municipalities which are outiside the Taluk Head Quarters, such as Naikanahatti and Mayakonda and the recruits there will naturally find themselves helpless As a consequence, certain important reports and returns are being

p t o

are being unduly delayed and the compilation of the consolida-ted report due to Government will be held up

In these circumstances, I request that Government may be pleased to accord sanction to the revision of the scale so as to facilitate the posting of experienced clerks in the interest of the satisfactory working of municipalities

Subject, Revision of the scale of Municipal clerks in the IV class Municipalities from 20-1-1925 to 25-1-40

Sir,

In inviting kind reference to this office letter of even number dated 9-10-1944, on the above subject, I have the honour to request that early orders of Government may kindly be obtained for the revision of the scale from Rs 20-1-25 to Rs 25-1-40 as all the Municipal councils in the District have agreed for the same

2) This lowest scale Rs 20-1-25 is in existence in all the four classes of Municipalities in the District as prescribed in G O No L 811-821 Ml 16-35-82 dated 25th July 1936 The clerks appointed in this grade are generally given promotion to the next higher grade 25-1-40 whenever vacancies occur in the Revenue and other departments with the result that the work in the Municipal offices suffers considerably owing to frequent transfer of these officials With a view to avoid dislocation of work and admit free interchange of officials from the Revenue Department to the Municipal offices and vice versa, it is quite necessary to raise this scale of 20-1-25 to Rs 25-1-40 in all the four classes of Municipalities to make this scale uniform with the lowest scale of Rs 25-1-40 prevailing in the Revenue Department Early orders of Government may kindly be obtained for the revision of this scale of Rs 20-1-25 to Rs 25-1-40 in all the four classes of Municipalities in the District

2 Opinions received from the several Deputy Commissioners of Districts in the State in regard to the revision of the scale of pay of the last grade clerks of the several Municipalities from Rs 20—1—25 to Rs 25—1—30—1—40

ORDER No L 2593 604—ML 124 46 1, DATED BANGALORE, THE 16TH AUGUST 1946

The Deputy Commissioners of Districts have brought to the notice of Government the several difficulties which are being experienced in the actual working of the above Government Order in securing the services of efficient hands on Rs 20—1—25 They further state that even though an official on that pay is posted to a Minor Municipality, he will not remain there long, as he will be very soon promoted to the next higher grade of Rs 25—1—30—1—40 obtaining in the Revenue Department and will quit the place, leaving the work in arrears With a view to overcoming the difficulty and to run the Municipal administration efficiently, they have recommended that the scale of pay of the last grade clerks of all the municipalities in the State may be revised from Rs 20—1—25 to Rs 25—1—30—1—40, the scale which is obtaining in the Revenue Department, as it would facilitate the interchange of officials from the Revenue Department to the Town and Minor Municipalities and *vice versa* Government agree with the views of the Deputy Commissioners and are accordingly pleased to direct that the scale of pay of the last grade clerks of all the municipalities referred to in the Government Order read above be revised from Rs 20—1—25 to Rs 25—1—30—1—40 per mensem

The Deputy Commissioners of Districts are requested to take necessary action in regard to the fixing up of the pay of the existing last grade clerks in the municipalities in the scale of pay as now revised
